SUPERVISORS IN SESSION

Business Transacted at Special Meeting

GENERAL FUND IS EXHAUSTED

Interest to Be Paid on All Endorsed Claims--Contractor Bradley Files His Bond

The Superisors held a special meeting last Monday. Only MacBain, Debcnedetti and Elkerenkotter were present. On motion of Debenedetti seconded by Elkerenkotter MacBain was chosen temporary chairman.

The question of inspecting the various bridges of the County was fully discussed by the board and finally on motion of Debenedetti seconded by Elkerenkotter it was ordered that the board proceed as a body to examine and inspect the bridges in each township of the county at a date to be fixed at the next meeting of the board and that such examination and inspection shall commence in the First Township.

A general discussion was entered into in regard to the stringency of the general fund. It was shown that the fund was exhausted and that claims to the amount of $15,000 were unpaid. According to the one-twelfth act only about $4000 was available each month. Debenedetti explained that there was $150,000 in the court house fund lying idle. He could not see why the board could not draw on that fund for the relief of the general fund. He urged that this be done. Elkerenkotter also spoke in this strain. District Attorney Bullock and Treasurer Chamberlain were present. The former explained the law in the matter saying that it would be illegal to make the transfer suggested by Debenedetti and that the board has no authority to make such a transfer. Mr. Chamberlain said he would like to relieve the fund but would be liable to his bondsmen. However if the board saw a way out of the dellemma he would gladly cooperate with them

Mr. Chamberlain stated that as one way out of the difficulty, that the board pass all claims against the General fund and return them to the claimants, who would present them to the treasurey, They would there be endorsed, "No funds," and could then be sold to the best advantage. In this case the county would be compelled to pay interest on the unpaid claims.

It was decided to pass the matter until next meeting when the full membership of the board will be present. at the rate of 5per cent per annum.

The contract and bond of W. H. Bradly, to whom was awarded the contract at the last meeting of the board to build a bridge over Tunitas creek in the Fifth Township, were signed and approved by chairman MacBain.

No further business appearing the board adjourned to meet Tuesday September 3rd at 10 o'clock.

Relief Is Promised

Relief for the commuters of Redwood and the other peninsula towns from the "milk-can" nuisance is promised by the passenger department of the Southern Pacific. A new running schedule of trains will go into effect September 1st and among other improvements will be the installing of an exclusive milk and express train to make the run to the city early in the morning and come back through the valley late in the evening. The plan of the company is to confine the milk business to this train alone and thus relieve the commuter trains of the burden.

The announcement will be hailed with satisfaction by the commuters of Redwood. Under the present system hundreds of milk cans are hauled to and from the city on the regular trains and the loading and unloading of them causes a delay of several minutes at each station. The new plan will cut down the running time of the trains very materially.

No mention is made in the announcement of the new schedule of the time when the bay-shore cutoff will be completed. The present schedule has been in operation since the first of June.

Lots Are Moving Fast

Mr. S. M. Snyder, who has North Fair Oaks for sale, was in town Thursday. He conducts an excursion to the property every Sunday and between 200 and 300 people are taken to the grounds. Lots are selling very rapidly. Adjoining lands will soon be subdivided. Factories are to be established, boulevards built, cement sidewalks put down. Two stations are to be erected, one on the line of the Southern Pacific and the other on the line of the Dumbarton road. Mr. Snyder is a hustler. He pdedicts that within five years there will be a population of 5000 in North Fair Oaks. He says it is surprising the number of inquiries there is made daily for Fair Oaks property. The tract now on the market he expects will be disposed of in a few months. The adjoining property will be then opened up for sale.

Arrangements Completed

The entertainment Committee for the Congregational Church Fair has arranged for an excellent evening's entertainment each night of the fair. The two act farce "Mr. Bob" will be put on the first, Thursday, September 26. Next evening will be a musical program and Professor Carrington, Miss Bernhart and others well known musicians will take part. The last evening Saturday, September 28, will be children's night and the little people will furnish the amusement for those who attend. Mrs. Turner, assisted by Miss McCarthy of the Grammar School, will have charge of the evening's program which will terminate with a patriotic drill of 24 young girls dressed in National Colors who will march and countermarch about Miss Columbia.

Builder's Contract Filed

The following builder's contracts were filed in the Recorder's office during the week:—

Jamess C. Calquhoun agrees to erect a five room and bath bungalow in 50 working days for Orin C. Caverly on lots 15 and 16, block 5 Burlingame Park for $2655.

Charles W. Gompertz agrees to erect a two story and attic and basement frame dwelling for Abraham Stern on his property at Fair Oaks for $21,380. There is no time limit on the contract except that the contractor is to do the work as expeditiously as possible consistent with good work. Houghton Sawyer is the architect.

The following marriage licenses were issued from the County Clerk's office during the past week:—

T. H. Collins and Eva Joiner, both of San Francisco.

She received an interlocutory decree on August 29th, 1906 and last Thursday she was freed from the matrimonial yoke.
